Brilliant, just brilliant holiday in Noosaville. I was on the ferry on more frequent visits. It really is a great resource for the first time, we both pass and boy, do you for money. We spent Noosa (for a swim) and for food and coffee, hotel to change, lunch in Noosaville and then a day for the final two experiencing the gl...

Did the return ferry from Hastings St to Noosa marina. Easy to book tickets and a friendly and the boat was access both levels once on board. The commentary is interesting but not too much. Background music adds to trip. Scenery is wonderful is from the marina you can drink to have on board on way back!
